EXPERIENCE

FULL STACK WEB DEVELOPER

Codiste | Ahmedabad, IN   2024 – PRESENT

- Led full-stack development of multiple enterprise applications using Node.js, React, and TypeScript, including successful migration of a Java backend to Node.js while maintaining system stability and performance for applications handling sensitive financial transactions.
- Spearheaded development of scalable backend services using Express.js, Prisma ORM, and MySQL, with features including user authentication, role-based access control, automated scheduled tasks using cron jobs, and RESTful APIs serving multiple client applications with 99.9% uptime.
- Developed and deployed Telegram mini-apps and bots with features like user authentication, referral systems, and gamification elements, while ensuring secure API integrations and implementing WebSocket connections for real-time updates.
- Demonstrated expertise in performance optimization through implementing caching strategies, reducing API payload sizes, optimizing database queries, and migrating from MongoDB to PostgreSQL while maintaining system functionality and improving response times.

ASSOCIATE SOFTWARE DEVELOPER

Rysun Labs | Ahmedabad, IN   2022 – 2024

- Led a team of 3 in building the web app based on Next JS incorporated with FCM and AWS S3. Implemented Scrum and Agile processes to ensure efficient development, managed team's activities & ensuring timely deliveries. Facilitated team discussions and fostered a collaborative work environment and acted as the primary point of contact for client interactions.
- Collaborated with a team of 7 developers to develop a web application using NextJS for printing digital ID cards with an integrated template editor.
- Developed an integrated design editor using React that allowed users to create templates for a project by dragging and dropping elements. Implemented all required functionality for the project based on specific requirements, ensuring that the editor was user-friendly and met all design specifications.
- Received the "Best Intern" award for exceptional performance during the internship.

EDUCATION

BE COMPUTER ENGINEERING
LJ Institute of Engineering and Technology
CGPA 9.56   2018 – 2022

HIGHER SECONDARY SCHOOL
M.B. Patel Secondary and High secondary school
PERCENTILE 86.6   2016 – 2018

SKILLS

- Node JS
- Next JS
- React JS
- Nest JS
- Typescript
- Next JS
- Redux
- Postgres
- Git
- EC2
- Postman
- Socket IO

CERTIFICATION

REACTJS   CERTIFIED REACT JS FROM VSKILLS (VS-1429)

NODE JS   CERTIFIED FROM HACKERRANK

GRAPH DEVELOPER   ASSOCIATE CERTIFIED FROM APOLLO GRAPHQL
